

## FAMILY LAWYERS ASSOCIATION APPLICATION FORM

The Family Lawyers Association of Ontario continues to represent your interests at various government and law society levels, dealing with issues such as paralegals, legal aid, legislative amendments and policy analysis. The Association has established a website for the benefit of its members.

We are also constantly updating our referral and mentor lists! If you are a senior lawyer and wish to make yourself available to someone more junior for questions and information, just let us know on the form below. If you accept legal aid, once again, just let us know by filling out the appropriate section below.

Annual membership in the Family Lawyers Association is only \$50.00 (and of course, is a tax write-off!). Your membership will help us to continue to represent your interests in the legal and political communities, as well as provide you directly with opportunities to market, meet and learn. For an additional \$25.00, your name and a link to your e-mail address / website will be posted on the Association's website. (**Website: [www.flao.org](http://www.flao.org)**)
