I raised the issue of getting back issued Orders on a timely basis. There are no designated staff member dedicated to processing Orders. It was suggested that lawyers include a copy of the endorsement with the Draft Order to facilitate things for the staff members. Court staff will now fax counsel, as opposed to mailing, Orders back with errors. A new clerk will be joining counter staff in October.

I also raised the issue of 14Bs not being returned on a timely basis. The Bench are not receiving the 14Bs and the matters are remaining on the docket. Issues with 14Bs can be directed to Elise .
