

New Professionals Event

“Exploring Strategies for Clients with Mental Health Issues”

New family law professionals often face challenges when representing or working with clients who suffer from mental health issues. Knowing how to advise these clients and advocating on their behalf can be difficult. From their unique vantage points, our speakers will answer questions and provide essential information to assist clients with mental health issues.

When?

Thursday, October 20, 2016
1:00 p.m. – 2:15 p.m.
